

LIRS

Our Afghan Allies need your help.

By now, you've likely seen the distressing headlines and images coming out of Kabul. At LIRS, we are devastated by the fall of Afghanistan's elected government and our hearts

break for our Afghan allies, their families, and all those in grave danger of Taliban retaliation. Our prayers are with our imperiled Afghan neighbors and we stand in solidarity with all those who are living in fear.

At this time, the immediate evacuation of American citizens, our Afghan allies, and other vulnerable groups is our central focus. We remain hopeful that the U.S. military will be able to secure the airport in Kabul and restore order. Our priority is ensuring that a safe channel is established for evacuation.

LIRS is doing everything we can to save as many lives as possible and serve those who have already arrived in the United States—but we need your help.
